The special edition Leon & Ibiza Copa range available now!

With our special edition Copa range, we give you an extra helping of all the comfort, technology and design features you desire.

For example, the Ibiza Copa 1.4 SE offers 16" alloy wheels, dark tinted windows, climate control and more. Best of all, the Copa upgrade is available for all three bodystyles of the Ibiza.

The Leon Copa offers a world of upgraded comfort and technology. Upgraded seats with special Copa upholstery and dualzone climate control

ensure the highest level of comfort for driver and passenger.

On the Leon SE Copa, light and rain sensors are an added luxury that activate the lights and wipers when needed. And a media system which includes a DAB radio and sat nav will keep everyone happy.

The special edition Copa range is available now, so contact your SEAT Motability dealer for further information and to arrange a test drive.

The SEAT family - something for everyone

SEAT's relentless pursuit of reduced emissions and improved miles per gallon economy doesn't come at the expense of driving enjoyment, passenger comfort or good, honest style.

The SEAT range extends from the best-selling Ibiza family through Leon, Altea and Exeo families to the all-new seven-seat Alhambra, which recently won the coveted What Car? magazine MPV of the Year award for 2011.

In fact today's SEAT line-up is not only the most environmentally responsible to date, it's also the most stylish and well equipped, too.

A great range at a great price - from Nil advance payment

SEAT's sporty, stylish and engaging range of vehicles is proving popular with Motability customers nationwide and, with really competitive Motability rates on offer, it's easy to see why. For example, Ibiza models are currently available from nil Advance Payment.

SEAT won the prestigious Motability Manufacturer Partner award in 2010†, showing that our products, offers and dealer network provide a high standard of service to our Motability customers.

Caring for the environment without compromising quality

We're committed to providing a range of cars that offers you excellent value without ever compromising on style, specification or performance.

With the Ibiza Ecomotive starting at only 92g/km of CO₂, our Ecomotive range offers some of the lowest emissions on the market. Eight of our models are exempt from both road tax and the London congestion charge[^] and we are constantly striving to reduce our environmental impact.
